

## How to register your school on Opting Out

*It really couldn't be easier to register with Opting Out.*

- 1. In your web browser, navigate to <http://www.optingout.ie>*
- 2. Click on the button Register Your School*
- 3. Fill out the simple form by selecting the most suitable options for your school*
- 4. Click Submit*

*Your school will now have an account registered on Opting Out with a username and password. Your school will have a profile associated with it and this can be updated at any time by logging into the website.*
